*“There are stars whose radiance is visible on Earth though they have long been extinct. There are people whose brilliance continues to light the world even though they are no longer among the living. These lights are particularly bright when the night is dark. They light the way for humankind.” -Hannah Senesh*

## **How Do We Keep the Light of the Departed Alive?**

The Northern New Mexico Jewish community now has the opportunity to locally memorialize departed relatives, friends and beloved members of the Jewish community buried in remote locations, or for whom there is no grave. The Jewish Community Council of Northern New Mexico (JCCNNM) is creating the **“Santa Fe Legacy Memorial Wall”** in the Jewish cemetery located at 417 Rodeo Road. ***This is the only dedicated Jewish cemetery in Santa Fe.*** The wall will extend around the perimeter of the Jewish burial gardens. **The JCCNNM is offering memorial name plaques that will be attached to this wall.** Remembrance plaques are available now for \$613. Plaques are 10 x 2.5 x 5 with space for two full engraved lines. \$400 is tax deductible, and will allow for the construction and completion of the wall. Once complete, the JCCNNM will focus on landscaping the area.

## **Our Portrait Gift to You**

Your purchase of a plaque comes with a gift of portraiture from internationally acclaimed photographer Gay Block ([www.gayblock.com](http://www.gayblock.com)). Appointments will be set up after your plaque purchase. **This special offer ends July 15, 2015.**

## **Unification of the Jewish Community**

It is our goal to serve all the local Jewish synagogues, organizations and unaffiliated Jews who desire to honor their departed loved ones via the mitzvoh of *bimkom kever*— remembrance in place of the grave.
